

Michigan APPA Conferences

Guidelines for MiAPPA Member participation

General

Michigan APPA (MiAPPA) is an organization composed of public and private higher education facility officers. The State organization is affiliated with the regional and national APPA organizations. School members pay a membership fee to the national organization. Business partners can also pay a membership fee to the national organization. MiAPPA does not have a dues structure for the education members or business partners. MiAPPA is governed by an executive committee that is elected by its members.

The primary purpose of MiAPPA is to have a forum for higher education facility officers in the State of Michigan to learn and share information of common interest that relate to their roles in physical plant administration. This is accomplished by having two conferences each year. One is scheduled in the Summer (July – August) and the other in the Winter (March). The conference location rotates between Michigan institutions and is totally managed by the host school. The MiAPPA secretary supports the host school with a mailing list. The organization also has a web site to share information about the conferences. <http://www.pp.wmich.edu/miappa/conference.html>

Member Costs

First time attendee: no registration fee

Regular attendee: \$100

Emeriti: no registration fee
